KEY POINTS

1

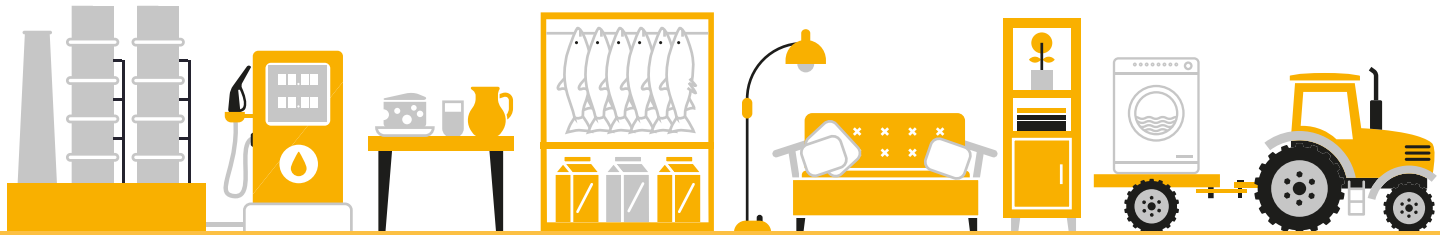

The region's economic engine is the oil refinery - „ORLEN Lietuva“. This company, located in Mažeikiai, is the biggest producer of petrol products in the Baltic States.

2

The presence of the oil industry has led to the development of the metal working and machinery industries.

3

The region is home to the two largest domestic dairy brands — Žemaitijos pienas and Pieno žvaigždės — producing products that cover the entire scope of dairy production. Regional competence is so high that the local brand Ingman has recently been purchased by Unilever.
