

UTENA REGION

A scenic home for niche industries

YOUR BUSINESS LOCATION IN LITHUANIA

“
We are extremely happy with our decision to acquire a manufacturing facility in Utena: most importantly with the area’s infrastructure of small and medium sized competent businesses. Local specialists have contributed greatly to enhancing the quality of our products and improving our productivity.”

KEY POINTS

1

As site of the decommissioned Ignalina nuclear power plant, Visaginas and Utena region is home to a large pool of highly skilled professionals with experience in the energy sector.

2

The country's largest brewery, the Carlsberg owned Švyturys — Utenos alus, has a long tradition of skill and mastery in this sector.

3

Outside of its strong industrial competences, Utena is characterised by its scenic setting and its traditions of organic food production and niche agricultural services, such as horse-breeding and training.
